dbacks

A note from the principal...

Great things are happening here at Sage Valley! The results of our benchmark tests are in and we are ahead of the game. We are excited to see that our D-backs are showing significant growth in all academic areas. The hard work displayed by students, teachers, and parents is really paying off. The teachers are now going over this data to help enhance the instructional strategies in the classroom. Here at Sage Valley we are truly "striving to develop life-long learners".

We are also proud to announce a significant reduction in tardies and uniform infractions. This is largely due to the efforts of Greg Newton, our Safe School EA. Since acquiring Greg in November, our tardy numbers have been reduced from an average of 65 a day, down to 15. This is no easy task as you can imagine. Our students have also shown a higher level of maturity and responsibility in regards to punctuality and overall behavior on campus. Way to go D-Backs!

Progress reports went home with students on February 22, so hopefully they made it in one piece. March 19th marks the end of the third quarter, so let's keep checking in on those grades.

Parent/Teacher conferences will be held March 24-25th from 4 -8 pm, with regular class schedules both days. We highly encourage you to attend these in order to receive that important "face time" with your students teachers before the end of the school year.

Thank you for all of your efforts and we hope to see you in the building soon!

Picture Day!

Picture day is March 10th. Only students with the Lifetouch forms filled out by a parent will be pictured.

Students may bring clothing to change into before being photographed, then will need to change back into their uniform before returning to class.

DO NOT send money now. The packet will be sent home with your child in a few weeks. Pay if you want to keep the pictures or return the pictures to the school if you do not wish to purchase them.

We are all looking forward to the spring events.
